Re: Washington University Project

Gentlemen:

I had a request for a listing of the reprints and preprints referred to by me in my letter to you of January 30, 1976, as well as by Dr. Lacy in connection with the work previously done at Washington University. Since we have made the listing, I thought it might be helpful if I sent it to each of you so that anyone having a particular interest in any particular article simply could let me know and I will send a copy to you.

With best regards.

Sincerely,

David R. Hardy
